Hello Sideout Club members,

We are looking forward to being back in action at home this weekend in front of our excellent Spartan crowd. Our young team is continuing to fight through the tenacious Big Ten season and we certainly appreciate your support.

As I reflect on this team's progress over the past couple of weeks, I am very proud of their continuous growth and improvement. They have grown closer as a team and become stronger women on and off the volleyball court. We are working more fluently together and their Volleyball IQ has been tremendously improved. Our staff is very optimistic that this team is continuing to get better day to day, week to week, and month to month.

With our four remaining home games you have plenty of action to see and celebrate. Join us on November 10th to Celebrate the banner unveiling of Alumni, Rachel Minarick. She is the fourth and final All-American we will honor this year. Then on November 17th join us for Jam Jenison where we will take on our rival from down the road. Lastly, on November 21st we will celebrate our Senior Captain, Maddie Haggerty with her Senior Night. Our team and staff are looking forward to seeing you all at the upcoming home games and wish you the best during the Thanksgiving season.

Go Green!!

3 New All-American Banners

Since our last newsletter, we have honored 3 different All Americans. Alyssa Garvelink, Autumn Bailey, and Holly Toliver were all honored at matches this season. These All-American honors were awarded based on their individual play from the 2017 season which finished with an Elite Eight appearance. It was great to have these Alumni and their families back on campus and honored for their accomplishments.
